The Book of Mississippi Quotations David Crews

The Mississippi Book of Quotations brings together the artistry and cadences of the world's greatest storytellers. It blends powerful observations on love, truth, lies, race, women, war, humor, failure, fear, humility, evil, politics, religion, law, the blues, violence, drinking, death, endurance, and sacrifice the wide breadth of themes and emotions that make up life well lived and poorly lived. David Crews has compiled this collection of quotations from, and about, Mississippi, available from Nautilus Publishing this fall. The volume, called enriching, inspiring, and outrageous, includes quotations from writers, musicians, sports heroes, civil rights icons, and everyday Mississippians. There are searing insights, homespun wisdom, banal absurdities, and raucous humor from over 250 observers including Eudora Welty, William Faulkner, Tennessee Williams, Fannie Lou Hamer, Oprah Winfrey, Elvis Presley, Archie Manning, Morgan Freeman, and John Grisham. As Crews says in his introduction to the book, Mississippi, a fiercely complex land, is both mesmerizing and baffling. Our country's most impoverished state is undeniably our richest when it comes to writing, lyrics, and stories. Crews The Mississippi Book of Quotations takes the best of these and brings them together in a volume that is sure to be a treasure for any Mississippian. Mark Salzman, bestselling author of *Iron & Silk*, has expressed a wish that this collection finds its way into every public and private library, digital reading device, and bathroom in America.
