The Voice of the Coyote, Second Edition

J. Frank Dobie

The Voice of the Coyote, Second Edition J. Frank Dobie

In *The Voice of the Coyote*, J. Frank Dobie melds natural history with tales and lore in articulating the complex and often contentious relationship between coyotes and humans. Based on his own life experiences in Texas and twenty-five years of research, Dobie forges a sympathetic and nuanced picture of the coyote prefiguring later environmental and conservation movements. He recognizes the impact of human action on the coyote while also examining the prominent role of the coyote in the myths and legends of the West.
