Lucky him, he found his mate. Just one teensy, tiny problem. She was already married to someone else.

Meeting the woman of his dreams would have worked a lot better if she didn't already belong to another man. He'll do anything to win his mate, including throwing his attractive cousin at the pesky husband.

Despite the danger, and her marital status, Jiao can't help falling for a handsome wolf. Honor says she should stay away, but her curious inner cat is flexing her claws and demanding they claim their man...
