In this golden fable, three little fish, Sarai, RaaOn and Sesom, dare to embark on a grand and dangerous quest to find their hearts' desire. Their journey is inspired by the legend of the Fire Fish, mystical masters of the Bright Beyond.

Never more than a fin-flip away from deadly danger, they tumble from one breathtaking exploit to another, using the power of "the call" to guide them through a world bigger than they ever imagined.

A story of mythic power. There is a surprising twist to this fish tale that teaches timeless truth and ensures its future as a fireside classic. Visit [kendufilms.com](http://kendufilms.com) for more info.
