Nursing Delegation and Management of Patient Care

Kathleen Motacki, Kathleen Burke

Nursing Delegation and Management of Patient Care Kathleen Motacki, Kathleen Burke

With a strong focus on the key areas included on the NCLEX-RN Exam's "management of care" section, **Nursing Delegation and Management of Patient Care, 2nd Edition** prepares you to successfully prioritize, assign, and delegate nursing care to other members of the health care team. It provides the latest information on the roles and responsibilities of the staff nurse related to the management of patient care, the core competencies required of the nurse caring for patients, as well as a wide range of leadership and management concepts nurses need to confidently manage patients within a hospital unit. This new edition is organized according to the new 2014 Magnet Standards of Practice to help you learn the skills and competencies magnet status hospitals require when hiring nurses.

- **Learning objectives, key terms, critical thinking case scenarios, and application exercises** in each chapter provide you with plenty of opportunities for review.
- **A trusted author team with years of teaching experience in nursing leadership and management** introduce current content related to the management of patient care in today's health care setting.
- **NEW! A new table of contents** reorganized according to the 2014 Magnet Standards.
- **NEW! Addresses the competencies of the nurse's role** with respect to the 2014 Magnet Standards.
- **Coverage includes the latest information** on the roles and responsibilities of the manager of patient care position, core competencies required of nurses caring for patients, and a wide range of management concepts new nurses need to know before entering practice.
- **Emphasis on the NCLEX Exam "management of care" areas** that you will be tested on, such as prioritization, delegation, and assignment.
- **Clinical Corner and Evidence-Based Practice boxes within most chapters include real-world tips and advice on patient and client management, plus the latest research on practices relevant to chapter topics.**
- **NEW! End-of-chapter and Evolve NCLEX questions** include analysis and application-level questions.
- **NEW! The latest RN design** gives this edition a fresh new feel that is easier to follow.
