Money Talks. Secrets Walk.

Jasmine Green is the daughter of a major Hollywood studio head. She lives the kind of life that makes people salivate (while hating her): bottomless bank account, vintage car, mansion, and birthday parties that end up splashed across the pages of *People* magazine.

But even fabulously wealthy girls (and their family and friends) have skeletons in their walk-in closets. Just to clear her head, Jasmine anonymously writes a thinly veiled exposè about her life in the form of a screenplay. But when the script is bought by her own father's studio, suddenly this juicy read is the talk of the town, and on the fast track to being green-lit.

Jasmine knows she has to do whatever it takes to stop her family's dirty laundry from becoming the next box-office smash. But she's up against one persistent tabloid reporter who's making it very, very difficult to keep her secrets....
