Slide slide
down we glide
Swish swoosh
goes our ride

All the magical moments of a new snow spread across each of these pages. The steady rhythm of Christine Ford's joyous ode to snow follows two youngsters as they trudge along with their sleds in tow to exult in a day of winter play from building a snowman and sledding to a hot chocolate warm-up at the end. Painted and paper-collage illustrations capture all the cool contrasts a blanket of white can bring.
