The Inevitable Battle. From the Bay of Pigs to Playa Giron Juan Carlos Rodriguez

The U.S.-led invasion of Cuba in April 1961 was defeated in 66 hours by militia battalions composed of worker and peasant volunteers, along with soldiers from the Cuban armed forces. Cuban historian Juan Carlos Rodr guez explains that the failure of the attack on Playa Giron was not due to poor strategy and tactics on the part of the invading forces. They were actually sound plans. Cuba defeated the invasion because the human material available to Washington could not match the courage and determination of a people fighting to defend what they had gained through the continent's first socialist revolution.

Reports, interviews, and 46 pages of photos from Cuban archives.

Also available in: Spanish.
