She wasn't looking for love.

Struggling to live up to the high expectations of overprotective parents and a hefty family name, Caryn Stevens only wants one Summer of Fun before she focuses on finishing her college degree. She knows her destiny—to lead her dad's multi-million dollar business. But that plan changes forever the day she runs into—literally—sexy and single professional hockey player, Andrew Chadwick.

But love came looking for her.

Sparks instantly fly between the two, and Caryn can't resist his charms as she discovers that Andrew has a reputation for winning—both on and off the ice. One of the most eligible singles in Toronto, Andrew could have any woman he wants, and he's got Caryn in his sights. But, when Caryn's parents disapprove of the match and threaten to disinherit her and his hockey team trades him to a new city, it may take more than love for the couple to survive this penalty play.
