God is at work in the city. And he invites his people to join him. But the city is not merely a mission field for Christians to target. The city is also the environment where Christians are disciplined and lives are forged into the image of Jesus. Urban ministry veteran Randy White shows how God transforms you when you answer God's call to the city. Urban life peels away your sin and self-deception and challenges your unexamined assumptions about privilege, race, class and power. Experiential discipleship moves you from abstract theory to hands-on learning and on-the-ground action, revolutionizing your perspective and making a difference in local neighborhoods and beyond. Passionate and practical, White's vivid narratives of experiencing God in the city show you how your spiritual health is intertwined with the health of the metropolis. Seek the welfare of the city, and both you and the city will be transformed.
