Pillars of Grace

Steven J. Lawson

Pillars of Grace Steven J. Lawson

Summary

The doctrines of grace are often known as the five points of Calvinism, but they were not the invention of John Calvin or his reforming cohorts of the sixteenth century. Rather, they are biblical doctrines, as Dr. Steven J. Lawson demonstrates in his book *Foundations of Grace*. Now, in *Pillars of Grace*, Dr. Lawson shows that the doctrines of grace have been understood and taught—sometimes in embryonic form, sometimes with great clarity—throughout church history. From the time of the early church fathers to the era of the Reformers, key men in the church stood on the foundation of Scripture and upheld the truth of God's sovereign role in salvation. The inescapable conclusion is that the doctrines of grace are no innovation, but the consistent witness of some of the greatest men of the church.

From reader reviews:

Brad Hawkes:

Information is provisions for people to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Pillars of Grace as the daily resource information.

Carla Ramirez:

A lot of people always spent their very own free time to vacation as well as go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity this is look different you can read a book.
