In *Putting Up*, author Steve Dowdney colorfully and descriptively guides readers safely through the home canning process. In his plainspoken narrative, Dowdney explains how to put up crops harvested during each month of the year and includes 65 of the most popular and delicious recipes he produces for his successful canning business. Also included is a resource section that contains information on where all essential canning supplies can be purchased. More than just a how-to manual, *Putting Up* is a wonderful guide for canners and non-canners alike. It is chock full of anecdotes, stories and vignettes of a long gone agrarian south that filled the author's youth and still fills his heart and memory.
