The Hard Way: Stories of Danger, Survival, and the Soul of Adventure Mark Jenkins

Adventure writer Mark Jenkins has journeyed around the world, crossing wild country, probing the hinterlands, getting arrested over a dozen times. He has made a life out of doing things the hard way. The result is a book that dives headfirst into adventure and experience. Jenkins transports the reader with him as he climbs the ice-encrusted Italian Ridge of the Matterhorn, sea kayaks from battlefield to battlefield along the Turkish coast of Gallipoli, sneaks across Tibet to reach Buddhism's holiest lake, descends unexplored canyons in Australia, and traverses the war-torn Simen Mountains of northern Ethiopia. If you've ever dreamed of escaping, lighting out for the unknown, read this book. In a world increasingly vicarious and secondhand, we all long to make decisions that matter, decisions of consequence. This is precisely what the outdoor life still requires. *The Hard Way* is a book about doing, not watching -- about leaping before you look.
