This comprehensive book is informed by decades of experience and years of research into how to perform as a professional artist in the 21st century art world (or worlds). This book is filled with easy-to-follow instructions that will help you teach everything -- archiving work, start a mailing list, write a grant, and everything else you can think of. This straightforward book even addresses topics you may not think artists need to know about now! Consider this a handbook for teaching the business aspects of an art career. This book is written and designed to empower you to help artists understand the wild world of art careers. Syllabus and handouts included. Far too often artists find themselves having to compromise their art and their life because they were not taught accurate up-to-date methods for dealing with business situations. Because of this lack of preparedness artists miss out on valuable opportunities, financial rewards, and access to receptive audiences. This book aims to help teachers teach professional practices to artists everywhere, helping to avoid these pitfalls and get on the track to success on their own terms. Whether you are a gallery-bound artist, a public artist, an emerging artist, a hobbyist, a crafts-person, a student, or a seasoned artist in need of a tune up, this manual will help you train artists.
