“I'm going to fuck you,” she said. Her own juices had cranked up as a result of what she'd been doing with her mouth to his cock, and now she wanted something back. So she decided to take it. She looked at his cock. Hard again! She found it easy to put her hips on either side of his thighs, and to come down strong, so that his cock was just brushing up her slit, and pressing her love button. Josh put his head back, and opened his mouth. “Yes...” Bambi said. “That feels good, doesn't it...” “Yeah...” She started to stroke the tip of his prick, and could tell that she was getting to him. “Does it feel good...” she asked, with a light, wet sound in her voice... “Yes...” he said, taking a deep breath, trying not to come too quickly... “What do you want...” “Oh God...” “Do you want to...fuck me...” “Yes...I do...I really do...” She smiled, proud that she was able to get him to say what he wanted. She lifted her hips, just enough so that the head of his cock was slipping between her moist pussy lips, and letting it slowly sink in.
