"The Dive Sites of Indonesia" is an indispensable guide for divers and snorkellers of all levels of qualification and experience. Enhanced by magnificent full-colour photographs, this practical book offers detailed information on the best places to witness the wonders of the underwater realm and gives comprehensive coverage of the dive sites of one of the world's most exciting dive areas. Also described are many of the fascinating topside attractions for those who wish to explore the country itself. Individual site entries are star-rated and cover location and access, conditions, depths, and marine life. Regional directories include information on dive facilities, where to stay and eat, emergency contacts and other recreational facilities. Practical details are given on travelling to and in Indonesia, underwater photography and video, health and safety for divers, and marine conservation. Detailed, full-colour maps are provided showing dive site locations, access points, major wreck sites, and reef areas.
