Brianna Wiest's first book *The Truth About Everything* was released July 10, 2013, and went on to be one of the best selling books on Amazon for two straight years. To commemorate the book's success, we are re-releasing the title with a new cover and updated introduction. Life is an uncertain morphing of the beautiful and devastating, the reckless and ordained, the inconsequential and cataclysmal. In this first compilation of her work, Brianna Wiest writes about her own experiences uncovering the life's greatest truths. The selected pieces are ones you'll turn to when you are in need of answers, comfort or a little tough love. Brianna writes from a place of solace and understanding, as "*The Truth About Everything*" asks you to challenge what you thought to be true, take the spiritual journey, and come out on the other end with your own story to tell.
