Battling the Witch Storm Kai

One soul's journey from Kansas to Oz...

How simple life is as a child. There is good, bad, and the road to happiness. Just like the characters in The Wizard of Oz we know who will hurt us and who is our friend. Then we grow up. Here we find that the world around us as well as deep within can be heartless, stupid, cowardly, and even a true witch at times. I wrote this so you wouldn't feel so alone when these feelings arise within you. I wrote this so I too would not feel this isolation that comes only from a self-discovery born so intensely within our hearts.

I have battled the witch in me every day since I was a child. I wish some one could have told me long ago she was never there for me to fight.
