*The most complete guide to improving performance in the three most critical areas of your game*

The best players in the world do three things very well: They put the ball in the fairway off the tee, they make the putts they should (and almost never three putt), and get the ball into tap-in range when hitting short shots around the green after an errant approach. These are the key areas to scoring, giving you both the opportunity to make more birdies and keeping big numbers off your scorecard.

*GOLF Magazine's* top-selling *Best Ever!* series of instruction manuals have individually covered these areas in the past, but never all at once. Now offered as a special three-volume compilation of award-winning instruction from the Top 100 Teachers in America, ***The Best Instruction Collection Ever!*** gives you everything you need to drop your handicap in a single set, with nearly 600 pages-and thousands of tips and drills-to take your driving, putting and short game to exciting new levels.

***The Best Instruction Collection Ever!*** includes *GOLF Magazine's* newest title, *The Best Driving Instruction Book Ever!*, plus it's game-changing *The Best Putting Instruction Book Ever!* and *The Best Short Game Instruction Book Ever!* in a specially bound anthology of expert advice from the most sought-after instructors in the game. Three bonus DVDs featuring video lessons that support the book lessons also are included, making the collection golf's most complete guide to improving your game in the three key scoring areas.

***The Best Instruction Collection Ever!***, like all of the magazine's lesson manuals, is backed by decades of experience and the award-winning instruction you can only find in *GOLF Magazine*. It's the only reference golfers who are serious about improving will ever need, and the fastest way to save strokes and make the game easy.
