Today the stage is being set for a worldwide transformation. The Bible prophesies of a future political leader, known as the Antichrist (or Beast), who will control economy, government, and religion worldwide. As speculation is heightened, it is necessary for Christians to understand Scripture clearly and the times in which they live. Scripture is to be believed and trusted! In this fascinating book, you will learn the following regarding economy, government, and religion: (1) a historical perspective of each discipline; (2) the strategies Satan is setting as a deadly snare for the end times; (3) the biblical prophecies of each discipline; (4) a global and international perspective of the biblical prophecies; (5) a forewarning and plea for discernment among the church; and, (6) the biblical prophecies of the millennial kingdom. For the purpose of rendering service to the Lord Jesus Christ and His church, eleven leading authorities on culture and Bible prophecy provide intensely relevant information that believers in Jesus Christ need to understand.
