Rob Thy Neighbor: A Charlie Henry Mystery David Thurlo

Charlie Henry and his friends are enjoying a cookout on a relaxing Sunday afternoon. But when a gunshot rings out in the neighborhood, Charlie is abruptly brought back to a world he's all too familiar with.

As he and best friend Gordon run to the source of the shot, they happen upon two masked intruders in their next-door neighbor's house. The men seem to be there to kidnap Sam Randall, the owner of the home, but upon the interruption from Charlie and Gordon, they abandon their mark and get away in a waiting van outside.

Detective DuPree has been investigating a string of similar home invasions in the area, but this one seems out of the ordinary. Sam Randall hires Charlie and Gordon to investigate the crime, not trusting the police to keep him and his wife safe. Detective Dupree warns Charlie and Gordon not to overstep their bounds in police business, but he needs all the help he can get. The investigation reveals Ray Geiger, son of retired NYPD cop Frank Geiger, as the prime suspect. As the simple home invasion case continues to turn into something more, it is up to Charlie and Gordon to protect the Randall's and themselves as they attempt to uncover the truth.
