## **What You Need to Know about Diabetes (Focus on Health)** Amanda Kolpin

Diabetes may be a familiar word, although you may not understand the disease or its two different types. But the more you know about the causes, symptoms, and treatment of diabetes, the better equipped you will be to understand this disease. Clear, concise information breaks down the disease and the experience of having it, or relating to someone who has it. Be inspired by true stories from youths who have experienced diabetes in their own lives and how they live with the condition.
