When I Die, Take My Panties is a wake-up call about the personal transformation that can come from tragedy and what can be learned along the way. Jennifer takes us through her journey of her mother dying from ovarian cancer in 2011. Death forced her to face a harsh reality: So often you want to control life - and the truth is you can't. To find true peace, you must come to terms with people and situations as they are, not as you wish them to be. When I Die, Take My Panties takes the reader through a journey of discovering the gifts in their own life as they learn how to appreciate what is right in front of them.

*"Jennifer Coken's riveting memoir sheds light on an important issue that every woman needs to know about. Take the journey with her through the tragic death of her mother to ovarian cancer and possibly save a life in doing so." --Dr. Caryn Silver, MD, Florida Cancer Specialists*
