A Secret Word: A Novel Jennifer Paddock

Jennifer Paddock's incandescent debut novel spans fifteen years in the lives of friends Leigh, Sarah, and Chandler, beginning one fateful day in high school that forever connects them. While Leigh remains stuck in dead-end jobs in their Arkansas hometown, the more privileged Sarah and Chandler move to Manhattan, where Sarah seeks acting fame and Chandler struggles to make sense of her failed relationships, only to be sent reeling by an unexpected tragedy.

Sweeping from the Deep South to New York and interweaving each girl's distinctive voice into a seamless narrative, *A Secret Word* is a luminous story of friendship and family, sex and secrets, growing up and growing apart. It is about how well you can ever really know another person and the secrets we keep from our friends, our families, and, most important, ourselves.
