Is the Bible Intolerant? Sexist? Oppressive? Homophobic? Outdated? Irrelevant? Amy Orr-Ewing

Why bother with the Bible? Of all the books in the world, the Bible sticks out like a sore thumb. For some, it's uniquely and divinely inspired, and thus the only authoritative source of truth. For others, it's a quaint relic from a bygone era that offers personal comfort to some but little more to anyone else. For still others, the Bible is a tool of sexist oppression, or a reactionary account of a violent God, or an arrogant detractor of other holy books, or even an indecipherable mess. But the Bible has withstood such criticism over the centuries, and as Amy Orr-Ewing shows, it bears surprising relevance to this generation. Facing contemporary critics square-on, with refreshing honesty and wit, *Is the Bible Intolerant?* will help you understand the Bible and the world it inhabits today. Bring your questions about the Bible, read with an open mind, and discover for yourself just how relevant--But how good--the Good Book can be.
