"They labeled him tyrant. They labeled him liberator..."

No matter what they called him, Lincoln was dead. Now the suspected conspirators are called to trial and Annabelle and Matthew must face accusations amid misrepresented loyalties.

Beloved, Cherished, Restored...

When Annabelle was unable to stop the nation's first presidential assassination, her fears of failure were only magnified. Imprisoned and berated, Annabelle wants nothing more than to finally return to Rosswood Plantation. But when a surprise visitor comes to call, his clash with Matthew could destroy her hopes for the future.

Reconciled, Respected, Redeemed...

Forced to choose between his allegiances and the safety of the people he loves, Matthew finds himself swept into the most massive manhunt in history. Booth has disappeared, and everything Matthew holds dear rests on bringing the assassin into custody. He'd promised Annabelle his heart, but the demons haunting the shadows of his mind will no longer be held at bay.

In the end, will they discover the power of redemptive love, or will their hearts forever be lost among the casualties of war?
