Rosi Coquí's brother finds magic everywhere! Rafi Coquí can sort sand with his magic fingers. He can shoot the stars from the sky. He can even find the smallest tree in the forest -- growing down, not up. Then one day Rafi's pet hermit crab runs away. Now it's Rosi's turn to show her brother that she knows where to look for magic, too. Can she find the crab in time for them to watch it shed its shell?

This joyful tale of two curious young Puerto Rican tree frogs is charmingly illustrated in brilliant color by acclaimed author and artist Lulu Delacre. Young readers will especially enjoy sounding out a sprinkling of easy Spanish words that add flavor to the story.
