USA TODAY & AMAZON #1 BESTSELLING AUTHOR • ONE OF THE BEST NEW VOICES IN THE ACTION THRILLER GENRE • With over 250,000 books sold, and well over 1,000 five star reviews on Amazon, the Sam Prichard series is quickly storming the charts. David Archer's ability to create exciting, page-turning, action and suspense is second to none. Fans can't get enough it, but don't take my word for it. See what all the fuss is about before Archer becomes a household name! Sam Prichard doesn't usually see ghosts, despite his mother-in-law and her hallucinatory friend, Beauregard. However, when a man is murdered right in front of him, Sam doesn't forget a face, and when he sees that face again, and the life, in an extremely embarrassing situation, he can't help but wonder what's going on. How could the dead man and his doppelgänger be connected to Sam's latest case, proving a client innocent of murdering his best friend? Some people think Sam has gone to the dogs over this one, because that's exactly who he has to go to for help to solve not just one murder but two. It's the wildest and craziest case Sam has ever been involved in, and the big question might be whether he will even survive.
