Heirs & Spares J. L. Spohr

It's 1569. Elizabeth I sits on the English throne, the Reformation inflames the Continent, and whispers of war abound. But in Troixden, just north of France, the Lady Annelore isn't interested in politics. Times are hard, taxes are high, and the people in her duchy need her help just to survive. Her widowed father is a good man easily distracted by horses, and her newly knighted childhood friend...well, he has plans of his own. Then Annelore receives a call she can't ignore. When Troixden's sadistic king died childless, his younger brother William returns from exile to find his beloved country on the brink of civil war. He's in desperate need of the stability that comes with a bride and heirs. But Annelore, his chosen queen, won't come quietly. Now the future of Troixden lies in the hands of two people who never wanted the power they've received and never dreamed that from duty and honor they might find love and a path to peace. Heirs & Spares is one part history, two parts palace plotting, and a whole lot of juicy romantic intrigue. Break out the spiced wine and sink in to this rousing read.

From reader reviews:

Ebony Lower:

Information is provisions for folks to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is in the former life are challenging be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Heirs & Spares as your daily resource information.

Robert Glass:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Having book everyone in this world may share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this Heirs & Spares.

Annie Hernandez:

The reason? Because this Heirs & Spares is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.

Lisa Chaffee:

As we know that book is significant thing to add our know-how for everything. By a publication we can know everything we wish. A book is a group of written, printed, illustrated or even blank sheet. Every year had been exactly added. This reserve Heirs & Spares was filled regarding science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book that you wanted.
