In this bestselling series Bodie and Brock Thoene have thrilled readers with an epic tale chronicling the struggle for the world's holiest and most turbulent city. As *Jerusalem's Hope* opens, strategist Moshe Sachar remains hidden in a secret tunnel beneath the Temple Mount, safely removed from the chaos of Israel's 1948 war of independence, while the funeral of an elder rabbi proceeds above him. Using the instructions the rabbi gave him before his death, Moshe opens another sacred scroll and is once again transported to the dramatic biblical story of a charismatic but mysterious prophet. As word of the miracles performed by this seer spreads, bloody violence erupts, threatening the future of the Roman state and revealing the prophet's surprising identity.
