## **Liar** Justine Larbalestier

Micah will freely admit she's a compulsive liar, but that may be the one honest thing she'll ever tell you. Over the years she's fooled everyone: her classmates, her teachers, even her parents. And she's always managed to stay one step ahead of her lies. That is, until her boyfriend dies under brutal circumstances and her dishonesty begins to catch up with her. But is it possible to tell the truth when lying comes as easily as breathing? Taking listeners deep into the psyche of a young woman who will say just about anything to convince them ? and herself ? that she's finally come clean, *Liar* is a bone-chilling thriller that will have listeners seesawing between truths and lies right up to the end. Honestly.
