Remember Me

Deborah Bedford

Remember Me Deborah Bedford

Sam Tibbits loves life--especially life at Piddock Beach, where his family spends their vacations. It's here that he's come to care for Aubrey, his childhood confidante. So the year Aubrey's family moves away with no forwarding address, Sam is crushed. He was going to propose.

Aubrey McCart enjoys being with Sam; he accepts her unconditionally like her father never has. But when her father's pride and joy--her brother--is killed in Vietnam, Aubrey is unable to cope. She chooses a path that changes her life forever, leading her away from Sam.

Years later, when Sam and Aubrey find themselves back at Piddock Beach, the two are forced to confront their abandoned friendship and make peace with their lives. But can they do so without overstepping their moral boundaries?

From reader reviews:

Suzanne Jensen:

Book will be written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A publication Remember Me will make you to always be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you seeking best book or acceptable book with you?

Richard Vazquez:

What do you about book? It is not important along? Or just adding material when you require something to explain what you problem? How about your extra time? Or are you busy particular person? If you don't have spare time to do others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question mainly because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this kind of Remember Me to read.

Doris Rice:

You could spend your free time to learn this book this publication. This Remember Me is simple to create you can read it in the area, in the beach, train in addition to soon. If you did not get much space to bring the actual printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Barbara Mobley:

A lot of guide has printed but it is different. You can get it by internet on social media. You can choose the top book for you, science, witty, novel, or whatever simply by searching from it. It is known as of book Remember Me. You can add your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most crucial that, you must aware about e-book. It can bring you from one location to other place.
