Twins, Jake and Blake are impossible to tell apart, that is when comparing them by looks alone. But when it comes to personality, they couldn't be more different. Blake has been touted as the stronger of the two, but when push comes to shove (as it often does), Jake isn't so quick to back down anymore.

While walking home from church, Jake and Blake are joined by Angela. Blake can't stand her or so he says. But Jake, now that's another story. Go with the three teenagers as they step off of the sidewalk and into the mystery of a lifetime. What starts as an innocent adventure soon turns into a waking nightmare.

What lies inside a hollowed out cave in the side of a hill? What waits on the other side?

Unable to fathom that what they see is real, the teenagers must navigate in a world that shouldn't exist. Will their Christian faith be strong enough to see them through?

This story takes the teenagers on a journey to share their faith in the most unlikely of places and with the most unlikely of people.

Christian authors Kathy Nobles and Mary Ledbetter have written a Christian novel to inspire kids and adults alike. This Christian adventure weaves the Bible and God's mercy into the fabric of a civilization laced with good and evil.

Join Jake, Blake, and Angela as they battle enemies both seen and unseen. Find out in this epic novel what happens when three teenagers find themselves alone in a world filled with strange customs, battles, and with a good dose of humor and happiness along the way.
