Deadly Gold Ken Baysinger

Thirty-four gold miners lay dead on a gravel bar where Deadline Creek flowed into the Snake River in the depths of Hells Canyon. From the surrounding bluffs, a small gang of horse thieves had poured gunfire down on the defenseless miners, who had committed two cardinal sins: they were Chinese, and they had found gold. A hundred twenty-five years later, a woman's body is found in the Willamette River, wrapped in a piece of carpet and weighted down with a cast-iron anchor. Private investigator Corrigan, having just completed his investigation of the notorious Mendelson-Devonshire murders, once again finds himself trying to solve the murder of a victim whose body was pulled from the river many years after her death. In the course of his year-long investigation into the death of Tara Foster, Corrigan learns that there is no limit to the mayhem that is triggered by lust for the Deadly Gold. Ken Baysinger's first novel, *El Camino*, is receiving rave reviews from readers and critics alike. *Deadly Gold* follows the ongoing adventures of investigator Corrigan and his associates in the tiny riverfront community of Canemah, Oregon. The author's unique ability to weave fiction with fact gives his novels an aura of realism that keeps readers engaged and entertained.
