Double-knitting is the art of creating a knitted fabric with no "wrong" side, but that's only the beginning. Alasdair Post-Quinn has created an exhaustive how-to for double-knitting that thoroughly tackles techniques you didn't even know existed, let alone thought were possible, such as cabled double-knit fabric, knitting different patterns on either side of the fabric (instead of the usual mirror images) and much more. With 14 patterns, nearly 200 pages and more than 400 photos and illustrations, Extreme Double-Knitting is the only double-knitting reference you need!
