Health & Physical Assessment/Quick Reference to Cultural Assessment Violet H., Phd Barkauskas, Linda Ciofu, Phd Baumann

Written by an all-nurse author team, "Health and Physical Assessment" presents a comprehensive approach to health assessment in which client health, rather than a diagnosis, is the focus. In this book, the client is perceived as a total entity, rather than as an individual with a specific problem that the practitioner must diagnose. Assessing health and identifying health strengths are emphasized and related to promoting and improving peoples' health.
