De: Tales - Stories from Urban Brazil Dark Horse Comics

From the company that introduced American audiences to Brazilian twins Fábio Moon and Gabriel Bá (*Daytripper*, *Pixu*) comes *De:Tales*, a collection of the twins' breakthrough short stories!

After three Eisner Awards and a series of acclaimed projects with writers Joss Whedon (*Sugarshock*), Gerard Way (*The Umbrella Academy*), Mike Mignola (*B.P.R.D.: 1947*), and Matt Fraction (*Casanova*), Moon and Bá are now among the hottest artists in comics. *De:Tales* is the duo's most personal work to date, presenting their work separately, together, and in tandemas the twins trade off on the roles of writing and illustrating, share those roles, or fly solo. Brimming with all the details of human life, their charming tales move from the urban reality of their home in São Paulo to the magical realism of their Latin American background.

Featuring a brand new cover, Moon and Bá's seminal and soughtafter work is finally back in this handsome hardcover packaging, proving once again that they are a talented pair to watch out for.

* Named by *Booklist* as one of the 10 best Graphic Novels of the year, *Foreword Magazine* gave it a silver medal on the Graphic Novel category of their "Book of the Year" award, and it was nominated for an Eisner Award.
