German Christmas Carols with Lyrics in English and in German. In this edition we have assembled 36 traditional German Christmas carols, partly from Christian hymnbooks, partly from traditional folklore. A number of carols have been rendered into English for the first time, some existing English versions have been revised, and some have been taken over as they were. The German stanzas are provided next to the English version. There are also two alphabetical lists of the carols with both the English/German and the German/English first lines.

Traditional German Christmas Carols „**Eb Alto Saxophone**“ is just one in a series of JOIN IN-MUSIC music books for a large number of instruments and singers. JOIN IN-MUSIC is designed to allow different combinations of instruments and singers to come together and perform Christmas carols: string and wind instruments can join in with a choir, instrumental duos and trios can be formed, or singers can be accompanied by the piano or the organ.

JOIN IN-MUSIC makes it easy for any musical group, be it in school, in church, in your community or in your home, to play together right away: the music of all the books is compatible. Any instrument can play the tune or the second or third voice, and all voices, including the score for the piano, are set in easy music. Thus the carols can come to life without extensive practicing.
