Question: What do our kids need? Answer: They need wisdom. "Wisdom is supreme; therefore get wisdom..." Proverbs 4:7

Designed for parents or teachers to use with children from K-5-through Grade 4, twenty-three lessons illustrate qualities of wisdom and godliness. Each lesson is presented in a simple format with illustrations to capture the attention of the child, and supplemented at the back of the book with suggestions for teaching the lesson. Every child of God both adults and children should work hard to show these traits more and more, because we love Jesus and want to be like him. That s easier said than done, isn't it? We struggle with sin every day, and we will fail. The lessons remind us that when we do, we will find forgiveness and the grace to continue to get wisdom at the foot of the Cross.
