My Road Beyond The Codependent Divorce is a sequel to The Road Back To Me. Readers have asked me 'why' I chose to divide my story into two books. My answer is simple. If you are an Adult Child from a dysfunctional home, it is all but guaranteed that you have been taught that your childhood perceptions were unimportant. You have more than likely been brainwashed to feel like 'you are NOT enough.' My first book The Road Back To Me is all about the experiences of childhood. Because I believe that who we are as adults is the direct result of what we were programmed to believe about Self when we were children, I felt the absolute need to honor the child experience of a child from a dysfunctional home. Had I written the story in one book, I considered that the emotional childhood experience might be lost in the powerful way My Road Beyond The Codependent Divorce ends. Adult Children deserve and need to find a space to honor the wounds that have been created in childhood. The Road Back To Me, I hope, helps other ACoA and GCoA's find that space. My Road Beyond The Codependent Divorce is written to encourage and support those of us who feel the need to move out of dysfunctional marriages and family relationships. It is an inspiring and uplifting story as its ending resembles a fairy tale. It is my hope that YOU the adult child learn to love the self--and that perhaps my journey told through my books helps you remember that within you--far beyond the things that have been done to you--YOU ARE ENOUGH! Much love to you."--Lisa A. Romano
