Satan: His Motives & Methods Lewis Sperry Chafer

Beginning with a sweeping overview of the past, present and future of Satan, Dr. Chafer launches into an in-depth evaluation of the old Serpent. He traces him from the early pages of Genesis through the Book of Revelation. This is a classic study made available at a time when Satanism is on the rise and the occult is capturing today's headlines. Expounded by one of the greatest Bible expositors of all time, this study exposes the Great Deceiver in all his subtlety under the searchlight of the Scriptures. An exhaustive Subject Index and a comprehensive Scripture Index add to the value of this thorough study.
