Sea Monster: A Withrow Key Dive Action Adventure Novella Eric Douglas

Walking Bob, a local hermit, is hearing noises at night and is scared enough to break his routine. He leaves his island and comes to Withrow Key to let Jackson Pauley know about a "sea monster" out on the ocean. Realizing there is something scaring the old man, whether it is a sea monster or something more mundane, Jackson decides to investigate. Jackson recruits Randy Littlebear to go sea monster hunting with him and they almost run into more than they bargained for beneath the waves.

This is the sixth Withrow Key thriller short story. Set on a bypassed key in the Florida Keys, life moves a little slower and a little weirder.

Each story in the Withrow Key thriller series features scuba diving, adventure, boats, the ocean and mystery along with beautiful locations and scenery. Jackson Pauley and Randy Littlebear go hunting for a Sea Monster and are surprised by what they find is traveling through the warm waters around the Florida Keys.
