The Bible in Modern Culture: Baruch Spinoza to Brevard Childs Mr. Roy A. Harrisville

Historical-Critical Method in Biblical Scholarship has been a Pandora's box for the intellectual life of the church. No achievement of modern scholarship has been more effective in understanding the Bible, yet it has also seriously challenged a church trying to preserve the integrity of its cherished theological traditions. In this critically acclaimed book Roy Harrisville and Walter Sundberg trace the development and drama of historical-critical method by surveying the major figures who created and employed it - from Baruch Spinoza in the seventeenth century to present-day interpreters. This expanded second edition of *The Bible in Modern Culture* includes three new chapters detailing the work of Adolf Schlatter, Paul Ricoeur, and Brevard Childs.
