The Commando Survival Manual Hugh McManners

In this book former commando and special forces major Hugh McManners saw combat in the Falklands and has trained rigorously to overcome life-and-death situations. Now he shares his specialized knowledge and skills in this practical guide to staying alive outdoors under adverse conditions. Could you recognize signs of an approaching storm, put up a dry shelter, or - if you had to - prepare a meal of slugs? Would you know how to locate water, splint a broken leg or signal for help? With this unique book you'll learn all these outdoor skills and hundreds more.
