The Study of Law: A Critical Thinking Approach (Aspen College) Katherine A. Currier, Thomas E. Eimmermann

The latest edition of *The Study of Law: A Critical Thinking Approach* offers a comprehensive, intelligent overview of all the key concepts covered in a typical introduction to law course. A critical thinking approach is used to introduce students to the study of law, encouraging students to interact with the materials through hypotheticals, examples, and well-designed questions. The text is divided into two parts, reflecting the topics addressed in an introductory course. Part I, *Introduction to the Legal System*, introduces students to the sources and classification of law, the structure of the court system, and an overview of litigation. Part II: *Basic Legal Concepts*, covers the basics of analysis and interpretation of the law, followed by chapters on substantive law.

Key Features of the New Edition:

- Teaches students the basic skills necessary to understand statutes and court cases
- Strong pedagogy reinforces well-written text presented in an accessible and well-organized format
- Edited cases are included in every chapter to teach students how to read and analyze the law
- New coverage includes: the Boston Marathon bombing case, the Affordable Care Act, and trademark issues involving the Washington Redskins , e-filing and e-discovery, discussion of same-sex marriage and custody disputes over pre-embryos, and crimes of unauthorized access of computer data and warrantless searches of cell phones
