Understanding Corporate Law Arthur R. Pinto, Douglas M. Branson

Understanding Corporate Law, Fourth Edition, is designed to assist students by offering a clear and comprehensive treatment of key concepts in corporate law. It is a popular study guide for students and has been used by professors to supplement their casebook or as recommended reading.

Significant business, economic, and policy issues are highlighted in connection with a thorough analysis of the important cases and statutory provisions used in the study of corporations. It includes the major theoretical approaches used in current corporate law literature.

In each chapter, the authors identify important policies and discuss the relationship of the law as it has developed to those policies. Statutory issues are addressed under both the General Corporation Law of the State of Delaware and the Revised Model Business Corporation Act. In addition, significant sections from the Principles of Corporate Governance of the American Law Institute are covered. The corporate scandals of 2001 and 2002, the enactment of the federal Sarbanes-Oxley (2002), Dodd-Frank(2010), and JOBS (2012) Acts, and the financial crisis of 2008 are also covered. Chapter 11 now incorporates significant new material on limited liability companies (LLCs).

From reader reviews:

Tina Olsen:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is within the former life are difficult to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Understanding Corporate Law as your daily resource information.

Coleman Jones:
