A Remnant of Time Maharaj Kaul

In *A Remnant of Time*, his fourth collection of poetry, Kashmiri American poet Maharaj Kaul continues his exploration of the elements that make the inner life of a human being. These verses hold that the journey of human life, as practiced in the age of technology, is greatly hindered by modern culture.

Kaul holds that humanity's souls are tarnished by stress and by demands on their energy and time. We have grown lonely as our contact with others is reduced and our family relationships become less than ardent. This collection of poems reflects the inner emptiness that humanity experiences while in the lap of material security and considers the human condition and the search for human values. It also expresses Kaul's deep love for his native Kashmir.

A Remnant of Time conveys that we must resist the inhuman thrust of materialism and technology and instead preserve the grandeur of our souls, the gifts given to us by nature as we arrived in the world.
