Jennifer Hedda analyzes the ideas and activities of the parish clergy serving in St. Petersburg, the capital of imperial Russia, in order to discover how the Russian Orthodox Church responded theologically and pastorally to the profound social, economic, and cultural changes that transformed Russia during the 19th and early 20th centuries. This book will be of particular interest to those who study the politics and society of Russia in the imperial period, the history of the Russian Orthodox Church in the modern era, the relationship of religious institutions to
