## **The Line: A Colouring Book** Alice Bowsher

A delightful coloring book by emerging illustrator Alice Bowsher. An orange line runs through the book. It starts off as a tightrope and then turns into a washing line, a table, a road, etc., while circus animals, crazy garments, and unusual vehicles dance upon it in Alice's bold brushstroke.

Every other page is gatefolded, so that each spread stretches over three pages. When the gatefold is closed, the concept of the previous spread meets the concept of the next, bringing a level of wit into play.

Saddle-stitched, with an elastic band wrapping around, this is a gorgeous gift book.
