**YOU'LL NEVER LOOK AT SEX IN THE SAME WAY AGAIN!**

In a world with no future, one man is offered a secret key from the past to unlock the greatest mystery of all.

One hundred days into his presidency, Adam Hart discovers that to fulfill his oath of office he must embark on a sexual odyssey that could determine the fate of the world.

Like all of his predecessors, he's briefed about a secret order that traces its roots back to ancient Egypt and the great goddess Isis. He's shown a parchment letter from the Founding Fathers urging future presidents, for the good of the nation, to be initiated into the *Mysteries of Isis* so they can glimpse the future in order to govern wisely. He's shocked not only to discover that many signers of the Declaration of Independence were initiates, but that initiation is *sexual*.

**The Secret Sex Life of Angels** combines the intrigue and controversy of The Da Vinci Code with the spirituality and eroticism of the Kama Sutra in a fantastic saga about the sacred nature of sex.
